

# Save The Date!

Kachemak Bay National Estuarine Research Reserve  
Alaska Center for Conservation Science  
UNIVERSITY of ALASKA ANCHORAGE

# Community Council Field Day

June 7th, 2017, 8:30 a.m. to 5 p.m.

All aboard for our summer community council meeting! This full day excursion will include presentations on a variety of topics related to the Kachemak Bay Habitat Focus Area. Site visits to research and monitoring stations will be led by Kachemak Bay NERR staff, as well as Kasitsna Bay Lab, Seldovia Village Tribe and Alutiiq Pride Shellfish Hatchery.

The tour will begin and end at the Homer Harbor – Ramp 3
